

PRAB AUTOMATIC DUMPERS

ELIMINATE MANUAL DUMPING OF CHIPS & TURNINGS

Safely Deposit Chips and Turnings

Automatic dumpers are designed to accept chip carts or drums, elevate and invert them over a receiving hopper to feed a chip processing system.

High Level Cart Dumper

Top Features:

- Custom-engineered to meet specific height requirements.
- Separate control stations are supplied with each dumper.
- Supplied with interlocked safety cages to meet OSHA requirements.
- Handle all types of chip carts, standard 55 gallon drums, or hoppers.
- Two designs are available:
 - High level (mechanical skip hoist)
 - Low level (hydraulic/tilting)

"It's pretty easy. You open the door, put the metal tote in there, push the button and walk away,"

—Scott Jenkins, Machine Shop Manager,
Mattews Inc.
