CREDIT APPLICATION

PRAB is a leading manufacturer of industrial conveyors and systems for the collection and processing of scrap metal. We have been in business for over 60 years, and there are hundreds of companies using PRAB engineered products to automate their industrial metal scrap handling, reduce labor costs, reclaim expensive coolants and maximize their return on scrap metals.

Following is our standard credit application. Since your company is a new customer, please fill out, sign and return this application to me as soon as possible. If you have a pre-printed credit reference sheet please attach, but please make sure **our application is signed**. It is company policy that all new customers sign our application.

Any delays will affect your delivery date.

I will also need a **sales tax exemption certificate** if the company is tax exempt.

If you have any questions, feel free to contact me at 269-382-8298.

THANK YOU FOR YOUR ORDER!

Sincerely,

Kim Wood
