

THE PRAB WASTEWATER SOLUTIONS ADVANTAGE

The PRAB Difference is built on excellence, integrity, and sustainability—backed by proven results.

LONG LASTING EQUIPMENT

PRAB Ultrafiltration systems are still operating in the field that were installed 31 years ago.

EXCEPTIONAL RETURN

21 times in the past two years PRAB has provided water and wastewater treatment solutions that have saved our customers nearly \$2.6 million annually.

INDUSTRY EXPERTS

We have published over 150 articles, white papers, case studies, technical briefs, and application reviews in the last 5 years.

VACUUM DISTILLATION EXPERTS

We have over 3,000 successful vacuum distillation installations worldwide and have completed over 20,000 feasibility tests.

MITIGATED RISK

We perform feasibility testing and provide verified test results through independent accredited laboratories to ensure the best system solutions are put into place.

PERFORMANCE GUARANTEE

PRAB equipment is backed by a true performance guarantee ensuring that it will achieve the specific results for which it was designed and manufactured to deliver.
